

# Directions to Wharton S.F. Canoe Launches & Landings

**MULLICA RIVER:** runs between Atsion and Batsto, then on to Great Bay...

Mullica River Canoe Launch at Atsion - **N 39 44.393 W 74 43.473** - From the Atsion Office, turn left onto Route 206 South and cross over the dam at Atsion Lake. Look for the log cabin and dirt road on your left, and turn onto that road. The Canoe Launch is approx. 100 yards off of Route 206.

Mullica River Canoe Launch at Constable Bridge - **N 39 39.556 W 74 39.505** - From the Batsto Office, go out to the main entrance at the flagpoles and turn right onto Route 542. Follow Batsto's split rail fence to its end, and turn right onto the dirt road. Take the second fork in the road to the left at approx. 1 mile. You will see the bridge on your left.

Mullica River Canoe Landing at Pleasant Mills - **N 39 38.379 W 74 39.541** - From the Batsto Office, go out to the main entrance at the flagpoles and turn right onto Route 542. The landing is approx. ½ mile on the left.

Mullica River Canoe Launch/Landing at Crowleys Landing - **N 39 37.587 W 74 37.154** - From the Batsto Office, go out to the main entrance at the flagpoles and turn left onto Route 542. The Boat Launch & Landing is approx. 2 miles on your right.

**BATSTO RIVER:** runs from either Hampton or Quaker Bridge to Batsto, then into The Mullica...

Batsto River Canoe Launch at Hampton Furnace - **N 39 46.180 W 74 40.833** - From the Atsion Office, turn right onto Route 206 North. At the end of the guardrail (100 yds.) make a right onto the dirt road. Follow 3 miles back to the river access on your right. Park in the field at your own risk.

Batsto River Canoe Launch at Quaker Bridge - **N 39 42.590 W 74 40.015** - From the Atsion Office, follow the dirt road to the right of the buildings (Quaker Bridge Rd.) back 4.2 miles. The steel bridge that you come to is Quaker Bridge. When parking in this area, DO NOT block any of the roads so that 2 vehicles are unable to pass one another.

Batsto Lake Canoe Landing - **N 39 38.813 W 74 39.189** - From the Batsto Office, go out to the main entrance at the flagpoles and turn right onto Route 542. Follow Batsto's split rail fence to its end, and turn right onto the dirt road. Proceed 3/10 of a mile to the canoe landing on your right.

Batsto Lake Portage - **N 39 38.619 W 74 39.059** - At the far southern end of Batsto Lake, on the western side, you may portage next to the sawmill. Continuing on the southern side of the dam, the Batsto River flows into the Mullica River at The Forks. THERE IS NO LAUNCHING OR LANDING ALLOWED FROM WITHIN BATSTO VILLAGE.

**OSWEGO RIVER:** runs between Oswego Lake and Harrisville Lake

Oswego River Canoe Launch - **N 39 44.069 W 74 29.467** - From the Batsto Office, go out to the main entrance at the flagpoles and turn left onto Route 542. At approx. 5 miles turn left onto Route 563. Follow Route 563 for approx. 6 ½ miles, passing Mick's Canoe Rental. Make a right onto Oswego Lake Road, the first blacktop road you come to. Follow this road approx. 3 ½ miles to the canoe launch area.

Harrisville Lake Canoe Launch/Landing - **N 39 39.923 W 74 31.456** - From the Batsto Office, go out to the main entrance at the flagpoles and turn left onto Route 542. At approx. 5 miles turn left onto Route 563. Follow 563 north
